Dear Mr. Pekoff, Owner, Natural Beauty Fence

I would like to thank you for your support and overwhelming generosity for donating the arbor for my Eagle Project. I truly appreciate your kindness and assistance in my project. Without your help, my vision to create an enabling garden for the residents and families of patients at the A. Holly Patterson Extended Care Facility would not have been complete. The youth of today is fortunate to have people like you who give back to the community so we can make our community a better place.

Again, thank you for your support and very generous donation towards my Eagle Project! I look forward to sharing the pictures of the finalized project with you to show you what a difference you have helped make in this community.

Sincerely,
