To Whom It May Concern,

On August 10, 2010, we had a fence installed by your company. We are writing to let you know that it was one of the best and most competent jobs we have ever had done to our home. From the start to the finish, your staff gave 110% of themselves. No nonsense, no small talk, just get the job done and get it done right. You have an A1 company. That is what we took away from our experience with your staff.

We are writing this letter to thank Chris, Bill, and the two gentlemen who installed our fence. If we failed to mention someone who was involved, please thank them as well.

We recommend your company highly and thank you for such a wonderful experience and a job very well done.

Sincerely yours,

Carol & John Krumm
